

TO HIS EXCELLENCY MR. GEORGE W. BUSH
PRESIDENT OF THE UNITED STATES OF AMERICA

Washington, D.C.

Mr. President,

On behalf of the Mongolian people and in my own name, I wish to extend to You and the American people my heartfelt and warmest congratulations on the occasion of the 20th Anniversary of the establishment of diplomatic relations between Mongolia and the United States of America.

The Mongolian people greatly value the relations and cooperation being developed with the American people and highly appreciate the multi-faceted assistance to Mongolia that the US has provided for developing and strengthening a democratic and open society where human rights and market economic principles are upheld.

Over the last few years the relations and cooperation between Mongolia and the US have reached a new level allowing the two sides to put forward comprehensive partnership objectives. Here I am pleased to note that the visit you paid to my country in November 2005 made an important contribution to this process.

I am fully confident that the relationship and cooperation between our two countries will be expanded and deepened even further for the benefits of our peoples, based on common democratic values and shared interests in promoting peace and prosperity.

Please accept, Your Excellency Mr. President, my best wishes for your good health and well-being, and progress and prosperity to the American people.

Sincerely,

PRESIDENT OF MONGOLIA
